

# 1 Low Fidelity Prototypes

## 1.1 Log In

A low fidelity prototype of a login form. It consists of a central rectangular box containing a circular user icon at the top. Below the icon are two input fields: the first is labeled 'Usuario' and the second is labeled 'Contraseña'. At the bottom of the box is a button labeled 'Ingresar'.

## 1.2 Main Menu

A low fidelity prototype of a main menu interface. It features a header bar with a text input field labeled 'Nombre de la Empresa'. Below the header is a sidebar on the left containing three menu items, each with a placeholder icon (a rectangle with an 'X') and a label: 'Contribuyentes', 'Calendario de entregas', and 'Sistema de cálculo de precios'. The main content area on the right contains a large rectangular placeholder labeled 'LOGOTIPO'. In the top right corner of the interface, there are two small icons: a window icon and a close button icon (an 'X' in a square).

## 1.3 Register Tax Payer

A low fidelity prototype of a web form for registering a tax payer. The form is enclosed in a rectangular frame with a close button 'X' in the top right corner. At the top left, there is a user icon and a text input field labeled 'Razón social'. To the right of this field are four buttons: 'Menú', 'Atrás', 'Elimina', and 'Editar'. Below the 'Razón social' field, there are six input fields stacked vertically, each with a label to its left: 'Usuario SRI', 'Contraseña SRI', 'RUC', 'Cédula', 'Correo electrónico', and 'Teléfono'. To the right of these input fields, there are two larger text areas: 'Anotaciones:' and 'Entrega:'. At the bottom right of the form, there is a button labeled 'Agregar entrega'.
